It's getting late - have you bought all your gifts yet? If you're looking for something to satisfy someone's sweet tooth, you can't go wrong with one (or more) of the candies below. These are the best candies we have reviewed from the past year. We have written 191 candy reviews so far in 2007 and only 15 of them earned our [Candy Addict Awesomely Addictive Award](#).

The list below is a list of those 15 candies that earned our highest honor. Some are a little expensive, and some are cheap, so there should be something on the list for everyone's budget. (The list is in the order that we reviewed them this year.)
