Valentine's Day: Calling Coffee Lovers

What: **Caffé Acapella Gourmet Coffee Bars**

Why: My husband loves coffee. Obsesses it. I think it's pretty much in his DNA, as he is from Seattle. And if there's one thing that rivals his love for coffee, it's sweets.

This Valentine's Day, he's getting a gourmet coffee bars from **Caffé Acapella**. Although they look like dark chocolate bars, they are actually made entirely of fresh roasted gourmet coffee, milk and sugar. These delicious bars are inspired by specialty espresso drinks—with flavors like Espresso Serenade (a bold combination of espresso with a touch of milk and sugar), Toffee Espresso Concerto (espresso blended with buttery, crunchy toffee), Cappuccino Connoisseur (espresso tempered with milk), and Carmel Macchiato Classico (espresso with fresh cream and caramel). Once you taste one, you'll find it hard to believe it's not chocolate—until you get the caffeine zip. The perfect Valentine's Day gift for the coffee lover.

Tip: Looking for more Valentine's Day ideas for coffee lovers? Consider the **Krups Combi Coffee Espresso Maker** from Williams-Sonoma (wonderfully priced at \$299). Or give a gift that keeps giving with tasting tours delivered monthly from **Peet's Coffee**.
